Introduction

A Chinese food menu looks the same no matter what state you're in. The meal may satisfy your immediate cravings but it won't be something special that you've never had before. If you're in the mood to try something new when it comes to hardcore sex, forget about popping an Asian chick's cherry and try your luck at plowing her up the butt instead. Anally Asian sluts are always a delicious big hit!

Adult Review

Most red blooded American guys may not admit it to their redneck buddies, but if given the chance they'll definitely stick their dick in a chick who hails from Far Eastern shores like Thailand or Japan. If she's into butt sex then that "most" turns to "all", and you'll find plenty of Anally Asian whores giving up their bunnies at this hardcore Asian sex site.

At first glance new members logging in for the first time might not fully understand where all of the hardcore Asian butt banging action can be found. That's because Anally Asian really is a DVD warehouse that features some of the hottest Asian DVDs on today's porn market. It would be nice if the tour actually mentioned this, since some surfers might expect to find at least some exclusive Asian anal sex content.

Even the Featured Series section is just a rehash of scenes ripped from popular Asian porn titles. At least you can take comfort in knowing the Anally Asian action is shot well. You'll love the close-up camera angle these professional producers get out of Mr. Pete who tears into Mika Tan's spread ass cheeks and gives her a royal ass fuck while both are still standing up!

And you'll definitely appreciate the huge amount of free porn bonus sites that full membership to Anally Asian comes with. A highlight of the best scenes is listed under the Included Sites section to the right side of this review. Check back often because new bonus sites are added often, and while not all offer exclusively Asian content, you will be treated to some tasty morsels that do feature exclusive hardcore content.

Don't expect to find any high quality picture sets at Anally Asian since it's really just about the DVDs. You will at least be able to enjoy tons of vidcaps that come with each movie clip. The movie clips can be streamed from a browser based flash player, or you can download them in three different popular file formats. The biggest clip is only 576 x 432, but it's an XVID file that looks nice and crisp. Even though you won't find yourself cumming back again and again, there's plenty of good porn available at Anally Asian to make it worth a visit.

Porn Summary

If you're sick and tired of banging only sum dum cunt every night, change it up and find yourself an Anally Asian inclined Oriental slut whose tight ass will gladly accept your swollen cock!
