Introduction

Like Rocky hitting a slab of beef in a slaughterhouse, the girls of this site take care of business when it comes to meat! Cock Brutality is all about the many ways a woman can be brutalized by an oversized cock in rough porno scene!

Adult Review

This site has some of the best new starlets that Canada has to offer. In one scene after another the girls are put to the test by several guys who use their cocks in a variety of brutal ways.

From fish-hooking to throat fucking, from spitting to slapping and all the other tricks in between; the guys can be a bit brutal. Especially with what they say to these hardworking hose blowers.

It is fair to say that this is not the best site offered by the fine people at MeatMembers, but as yet another quality site in their web ring it definitely does enhance the value of your membership.

Please be aware that when you signup that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. These sites are a collector's dream.

Porn Summary

This is not one of those couples sites where guys spend a lot of time on foreplay and gently push their penis into a girl. This is cock brutality and it's all about the sudden shove in.
