### Introduction

Innocent young sweethearts hooking up with other tight teens for some lighthearted fun and sexual exploration. These are shy girls being lured out of their shells by gal pals who want to tease them and please them!

### Adult Review

FlirtyPussy is a fun and easy going look at the way that many horny young ladies go about testing their bodies and their friendships by adding some sexual energy to the way they interact with their gal pals. These cuties get so excited when they find out their their affection goes both ways and the afternoon gets more and more exciting after that.

Each scene has a tight young teen working the camera, introducing you to her sexy friends and then showing the world what they all do best. Soaking wet tongue action with plenty of muff rubbing and all kinds of toys. These girls cum so much that when they are done they look like they spent the whole day at a water park!

Flirty Pussy is one of the newest sites on a very large network. Your membership includes all the websites listed on the right side of this review along with 35 exclusive updates on this website in 480x360 resolution.

All scenes also come with an extensive set of screencaps but there are no high-res pics for most of the Flirty Pussy pics unfortunately. None of the clips use DRM coding so once you download them they are each yours to keep in your permanent collection.

TheTongue suggests you take the tour and see what this network has to offer. The tour is an honest look at what you get for your money and with a trial for just \$ 2.95 you really can't go wrong.
