Fucked Panties

Introduction

Fucked Panties is actually a better site than the tour makes it seem. It's one of those smaller budget amateur studio sites that spends all of its time and money on making good porn instead of making the interface look nice. Inside there are 50 videos that play well in full screen mode. The movie lengths vary from short clips to long scenes. The best part is they offer a 3 day *unlimited download* trial so for less than fifteen bucks you can fully entertained for a whole weekend!
