Adult Review

The fine line between Hollywood and hardcore is getting narrower and more blurry every day. Now this rare model-whore has her own official website and it's something your dick will definitely take an interest in if you let it see the Free Preview!

On her own site Gina Lynn can now be seen in 45+ scenes that bring her sexual energy past the boiling point and leave her softcore Hollywood act in the tabloids. The site includes a mix of nonexclusive video work she has done getting sucked, fucked and ass-banged by both men and women... as well as exclusive never before seen clips of her sexual prowess as well!

Videos are in clear 720x480 resolution and while the site is somewhat small, it does give you plenty of rare content and full access to all of the Included Sites listed on the right side of this review as well.
