Introduction

Different strokes for different folks is the service motto for the Handjob Hussies. All these whores need is a little bit of lube and a steady right hand to stroke a hard cock until it spurts all over. Guys, if your wife has a headache and isn't up for some traditional sex, don't back down and take a stand. Remember, all she really needs to use is her hand!

Adult Review

You'll find 11 exclusive episodes at Handjob Hussies that all feature a sexy young slut stroking a hard cock to completion. These babes show off their tight bodies and contort themselves into some non-traditional jerk-off positions to maximize their wrist pressure, which helps provide stiff dicks with the utmost pleasure!

The videos at Handjob Hussies are rather short. Most average about 10 minutes, but a few are longer. All are available as both streams and downloads in MPG and WMV format in 640 x 480 resolution. DRM is not used, and all episodes can be viewed as either full length scenes or broken down into smaller chunks. This is a fairly new handjob site, and updates are rolling in regularly every 2 weeks. So in a few months this stroke job site should grow nicely.

Every scene features both reels of screen captures and high resolution photo galleries. The picture collections average well over 100 pics per update, and are displayed and downloadable in 1024 x 680 resolution. The pics do a great job of capturing the advanced tug job techniques of the sexy Handjob Hussies.

If watching hot whores jerk off thick dicks gets you excited enough to join, then you'll be excited to know that just for taking the Free Preview of Handjob Hussies from The Tongue you can get a full monthly membership for \$29.95 a month!
