### Introduction

With a keen eye for talent and a focus on oral action, world renowned photographer and adult film maker Denys DeFrancesco has done it again. Bringing glamor back to the blowjob where it belongs. Only Blowjob is the artistic and alluring aspect of sucking that may make you pull your cock out of her mouth just in time to tell her how elegant she looks!

### Adult Review

With high-def video as clear as 1280x720 and some of the prettiest nude models in the business today, Only Blowjob brings you an intimate look at these women giving the best suck jobs of their lives. They know they only get one shot to impress photographer Denys DeFrancesco and they suck dick as best they can to earn a place in his next movie as well.

Thousands of exclusive photos in magazine quality resolution and original video in nine different formats make this site a great choice for anyone who likes having their dick sucked. It doesn't matter if you have dialup or broadband, if you prefer streaming or downloading, redheads or blondes - all that matters is that Only Blowjob has hundreds of models with their mouths open and waiting for you come on in!

The only negatives to this site are that it does not offer any kind of trial membership and the site really is focused on Only Blowjob action. So if you want to see someone getting fucked up the ass or you want to join for one day at a time you need to look somewhere else. However, these are very small negatives compared to the huge positives of 730 high-def videos and no DRM encoding.

Only Blowjob features women who are so pretty that they should be modeling products on television commercials or soap operas... but instead they are feasting on thick dick and sucking it until every drop of jizz is spewed all over their smiling faces.

### Porn Summary

You know what you want to watch and the makers of Only Blowjob are ready to show it to you. No time wasted on fucking or eating pussy or hugging... this is women sucking, gagging, throating and drinking out of their man's rod.... and it's all offered in gorgeous 1280x720 for your enjoyment.
