Introduction

For years the orient has been known as a hotbed of top tier technology and tight innocent women. Now the two best aspects of the orient are being brought to you via the internet thanks to the crystal clear 1280x720 quality of Oriental Orgy and the tight Asian vagina they film for it every week!

Adult Review

From one black haired oriental beauty to the next, these sexy whores will work overtime to help crank a load out of you. Japanese, Korean, Chinese, these South Pacific sluts are lining up and waiting for you to arrive at their high-def Oriental Orgy site!

 Each of these talented dragon-ladies performs for you in front of a state of the art high definition camera that provides you with the very best picture and video resolution you have ever seen. At 1280x720 you will think you are in their room. You'll practically be able to smell the poon-tang from pyung yang and every other corner of the orient.

 If you think watching a football game in HD is a lot better than watching one on regular TV you will not believe how big a difference there is between watching a starlet in HD compared to watching a video that was shot in basic format.

 Best of all, you don't need to buy any fancy HD equipment; your standard LCD monitor is already fully capable of displaying every one of these clips in full HD quality!

 Full membership gets you full access to a whole ring of HD websites, which is by far the most HD content you can get for your money anywhere on the internet today. If you have a media PC and a large screen HDTV this site is an absolute must because you can actually display every downloaded clip in full screen HD clarity direct to your television!

 As if that was not enough, each scene also comes with ultra-high resolution pictures in 1600x1200 formats. That means you can blow these up poster size and hang them on your wall without losing clarity. All of the content is also offered in dial-up friendly reduced resolution but honestly, if you want to see what they have to offer you had better bring your broadband connection.

 As a member of Oriental Orgy, your dick also gets full access to every one of the Included Sites listed on the right side of this review. That's a huge amount of true HD content network-wide and well worth checking out the tour to see for yourself.

 Oriental Orgy does not use DRM coding, so it's an Asian HD smut collector's dream! They also offer a 3 day limited trial for \$1.85 but it doesn't provide full access so you are better off joining for the full month if you decide to join at all.

Porn Summary

Get out your chopsticks and chow down on some of the freshest sushi the internet has to offer. Your cock will be busier than the chef at Benny Hana when it sees the stunning video images of the Asian dolls captured in full HD action by the folks at Oriental Orgy!
