Introduction

Before gonzo was the name of the game, there was a golden age of porn where household names like Ginger Lynn, Linda Lovelace, and Ron Jeremy made their sexy marks. At Pornstar Classics, seasoned porn surfers can go down memory lane while watching the best hardcore porn that came from the 70s, 80s, and early 90s. And newer porn junkies can take a look back and see how differently porn was produced back then. It's not necessarily better or worse, but it sure was a lot different!
