Introduction

Posh Wife promises a look into the lifestyle of some very sexy British housewives. The site actually provides about a dozen short movie clips (some without sound) and several picture sets. The good news is that the material is exclusive, the bad news is that the quality of the content is low and the updates are infrequent. If you really want to see amateur models from the UK it may be worth a look but overall the site still needs work.

Review Rating

The Tongue says 'A low quality site with amateur British models'

Quality: 65 Updates: 50 Exclusive: 90 Interface: 50
