Introduction

Does your dick deserve to be treated to a \$6.00 per minute private one on one online live show? Probably not, but before you save up six month's salary and spend it on a diamond ring for your girlfriend... or waste a few hundred bucks taking some chick to dinner... ask yourself if you wouldn't be better off spending \$100 on a live whore who will do pretty much anything you tell her to do?

Review Rating

The Tongue says 'A true luxury for the man with a cock that has everything else already!'
