Introduction

Teen Candy Land is a dream cum true for whores of all ages. Teenage whores cum to visit from all over the world to get their pussies filled with their favorite two sexy things -- hard cock and candy! These tight and toned babes won't give up licking those lollipops until they make that creamy center erupt all over their faces!

Adult Review

If you take the Free Preview of Teen Candy Land, you'll be treated to 18 non-exclusive scenes that taste and look great. The fresh young sluts that are featured are all petite and look sweet as cherry pie, but don't let their innocent looks fool you. These whores know how to handle horny guys and can never get enough of that sugary white fluff that flows out of their boy toy's hard cock.

The episodes at Teen Candy Land are taken from the hottest teen porn DVDs that are currently on the market. Most scenes are half an hour long and all can be both downloaded and streamed in multiple formats. MPGs and WMVs are available in resolutions up to 640 x 480, and nothing is protected with DRM so feel free to save your faves. New content is being added every two weeks on a very consistent basis.

There are plenty of screen captures that go along with each Teen Candy Land video, which makes it really easy to preview the full length scenes before you decide to download them. A few sets also have some high resolution pictures that are presented in 1024 x 680, but you won't be able to tell which sets have these treats unless you look through them all.

Teen Candy Land runs \$29.95 for a full monthly membership and you'll also get full access to use the entire list of Included porn sites that appear on the right hand side of this review. And most of these extra XXX sites feature exclusive pics and videos in loads of different porn niches, so the all-park access fee is definitely worth the price of admission.

Porn Summary

Young up-and-cumming whores grow up craving hard cock just as much as they love licking gigantic suckers. Teen Candy Land is a breeding ground for sluts who get off on slurping down a semen-powered sugar rush right from the source!
