### Introduction

A happy whore is the first step to becoming a cum-drenched whore. Most ditzy sluts have nothing to worry about so are usually smiling and flirting the whole day away. But if you cum across a nympho who needs a little nudge before she lets loose and attacks your hard cock, you better know how to make her laugh fast. Don't even bother trying to use your wit, just reach on over and start to tickle her tits! This site shows you how to use her Ticklish Spots to your horny advantage!

### Adult Review

Regular bursts of laughter are thought to add several years to the average person's life. So if your girl gets mad at you for tickling her too often, just calmly explain that you're doing it for her own good. Then hold her down and work her Ticklish Spots over extra good!

You'll find 47 episodes that all cater to the sexy tickle fetish. The chicks that get tickled start off in various states of undress, and almost all of them start to fall out of their clothes from giggling so hard. Every scene features boy on girl tickling with the man's fingers being used as the Ticklish Spots weapon of choice. A few updates feature multiple tickle victims and some standard ticklish props like soft clothes and brushes. There's no hardcore sex on this site, just flirty and fun tickling.

The video quality is great. MPG and WMV files in up to 640 x 480 resolution are all available to stream and download. Ticklish Spots does not use DRM, so you're free to watch these vids over and over again. And since they're only about 5 minutes long, you'll have plenty of time to do that. A new update is added every two weeks.

You won't want to miss the high quality 1024 x 680 stills that Ticklish Spots offers. You'll see these hysterical whores' faces frozen in time and caught in hilarious portraits of pure tickle pleasure. They may try to fight these tickle fetishists off, but deep down inside they love it!
